Dear Mr. Brantley:

This case was filed in 1999, and is apparently in limbo. Its present status on PAIR is listed as abandoned for failure to pay the issue fee.

The issue fee was never received, as evidenced by some of the attached documents. A PETITION TO WITHDRAW HOLDING OF ABANDONMENT was timely filed, but appears not to have been docketed or acted upon by the PTO.

A cause of the present situation may be that the Patent and Trademark Office continued to use an old mailing address long after a change of address was received.

09/375,695

GE-06987A

Applicant requests that the PETITION of April 4, 2003 for withdrawal of the holding of abandonment be acted upon.

It appears that this PETITION has been submitted to the PTO on two additional occasions following the original mailing.

Sincerely,

William H. Meise

Commissioner for Patents

Sir:

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE NOTICE OF ALLOWANCE**

Applicant hereby petitions under 37 CFR 1.181 and MPEP 711.03(c) for withdrawal of the holding of abandonment of the above-identified application, as the Notice of Allowance mailed by the examiner in this application has not been received by the undersigned attorney's law office.

On March 22, 2002, a change of address was filed in the U.S. Patent Office, along with a Request for Corrected Filing Receipt, a copy of which is enclosed. On June 18, 2002, a Supplemental Appeal Brief and Request for Reinstatement was also filed in regard to the above-identified application.

BEST AVAILABLE COPY

On February 5, 2003, a Notice of Abandonment was mailed in the present application for non-payment of an issue fee. This paper was not mailed to the correct address, as shown in the change of address form.

A phone call was made to the Examiner shortly after receipt of the Notice of Abandonment and the Examiner indicated that on September 25, 2002, a Notice of Allowance was mailed in the above-captioned application.

A search of the undersigned attorney's office records including the application file jacket and docket records indicates that the Notice of Allowance mailed on September 25, 2002 was never received by this office. A copy of the docket record where the non-received Notice of Allowance would have been entered is attached hereto.

This petition is believed to be timely under 37 CFR 1.181 (f), as it was filed within two months of the discovery by the undersigned attorney of the present application going abandoned. Applicant respectfully requests when the holding of abandonment is withdrawn, a copy of the Notice of Allowance and Notice of Allowability be reissued to the Application.

No fee is believed to be due as a result of this communication. The Commissioner is hereby authorized to charge any other fees which may be required or credit any overpayment to Deposit Account No. 50-2061.

Respectfully submitted,
